BIT NIPPY!

Podium-worthy pup pops out in Pyeongchang

ONE plucky nipple made headlines by trying to DEFECT during the ice dancing at the Winter Olympics.

France's Gabriella Papadakis had just started whooshing around with her partner Guillaume Cizeron when her left BUD made its BID for freedom.

Just why a French nipple would want to defect to South Korea, we're not sure. It's a funny old world.

Anyway, while Gabby and Gilly were carving up the ice, it poked its nose out of her BRA, had a good look around and finally thought, "Naaaaah..."

A two-time world champion, Gabby was shattered that her own nipple would DO THE RAT on her like that.

"It was my worst nightmare, happening at the Olympics," she said after picking up the silver medal. "Yeah, I was pretty distracted.

"It happened in the first few seconds. I told myself I didn't have a choice and that I had to keep going. I think we should be proud we were able to deliver a strong performance with that happening.

"I felt it right away, and then I prayed. That is about all I could do."

Won't you join us in praying for Gabby's nipples, readers? **The Picture**

NEW TITS ON THE BLOCK

Lipstick Syndication

BIGGER *than* EVER!

Holly's baps are growing faster than the national debt

LIFE's pretty cruisy when you've got a pair of funbags like 30-year-old Pom big tit legend Holly Peers.

There's all the free drinks. And the speeding tickets you get out of. And you can play with them whenever you want!

But Holly, the ungrateful minx, still complains about geting a tan on her back.

NEW TITS ON THE BLOCK

"I ALWAYS G

"It's so uncomfortable lying on my front," she WHINES.

Aw. Diddums. There must be other benefits to having HUGE NORBERTS, but.

"Getting paid to show them off in magazines like this, I guess."

There you go. The silver lining. Did they just appear overnight or were you always a busty chick?

"It felt like overnight but I'm sure I had bigger boobs before all my friends at school."

Do you ever get them out at the beach?

"I ALWAYS get them out! Why wouldn't I? That's like asking do you take your kids on holiday!"

Sorry, we weren't thinking. Yeah, about beaches, you ever come here and get 'em out on ours?

"I was there last year – great place, lovely beaches, cool guys and amazing weather. The question is, why did I ever leave'?

ET THEM OUT AT THE BEACH!"

Keen to be on our cover again?

"It's always a pleasure. My plans for 2018 are to travel the world with just my bikini and flip flops, so I might be back"

We'll leave the porch light on. Bring a slab. Picture

EXTRA! EXTRA! READ ALL ABOUT TIT!

ROME!

A finalist on season 10 of Italian *X Factor*, Roshelle didn't win, but she sure isn't gunna be forgotten after showing her goods in this see-through number.

HUNGARY!

Public transport is shit in Hungary, so young spunks like Rene here hitchhike everywhere by getting their gear off and giving drivers a good look at their goulash.

IMM Pictures

IBIZA!

Pommy model Rosie Jones' tits never learn. As many times as she's been to the Spanish party island, she still forgets to take her bikini top. What a crazy gal!

NEW YORK!

Model and actress Joy Corrigan wasn't in *Black Panther*, but she stole the spotlight at the New York Premier any way by flashing her high beams.

JAPAN!

Say you're on a ride and along comes a giant fire-breathing lizard, stompin' shit and and a-smashin' stuff. First thing you do is get ya tits out and scream.

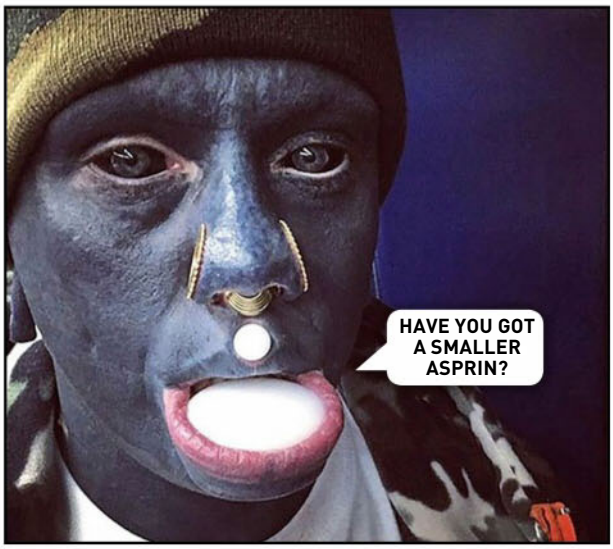
CALIFORNIA!

Lanky ranga MILF porn star Lauren Phillips goes jogging on mountain trails to maintain peak rooting fitness. She looks like she's got a few miles left in her.

NEWS FLASH

THIS SHIT REALLY HAPPENED!

Naked News, Max Mason-Hubers



PRETTY BOY

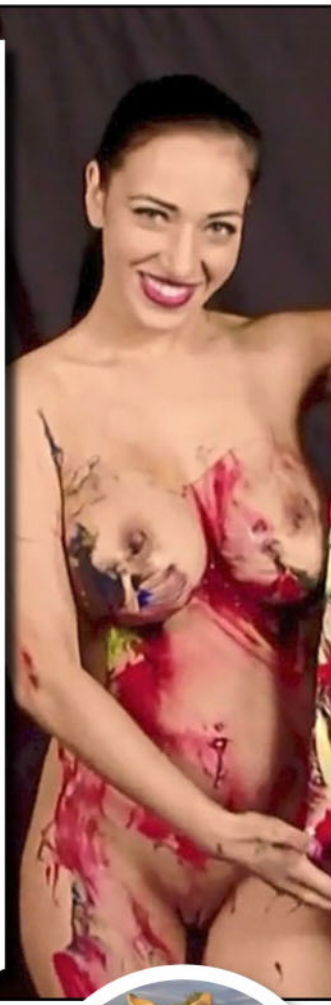
ELI INK, the sooty-faced charmer above, is on a quest to cover his whole body – including his eyeballs – in ink. The 27-year-old tattoo artist from Brighton, UK, reckons he won't stop until, like Michael Jackson, he GETS ENOUGH. "I will never be finished. I am dedicating the rest of my life to body modification," he says. "I wanted to look like a character in one of Picasso's paintings."

EAT YA VEGGIES

AN INDIAN farmer is using magic and porn star Sunny Leone's MUSKY SENSUALITY to stop people nicking his veggies. Chenchu Reddy of Andhra Pradesh was sick of cunts knockin' off his cauliflowers and cabbages, so he ERECTED a specially HEXED, giant poster of Canadian mattress actress Sunny Leone, who is of Indian heritage, to watch over his fields. He reckons his sultry scarecrow works and that the rate of pilferage has dropped off considerably. Porn stars – they really ARE magic!

ARTY!

THIS spunk actually created this work of art using her own large, squishy tits. Amazing but true. Naked News Network anchor Hanna Orio did a demo of how beaut art is, and the importance of tits IN art, live on air. And you know what? Not one viewer wrote to say their lives were not made richer by the experience. Not one!



'ROO-TED!

UH-OH. It looks like the 'roos are fighting back. WA bloke Joshua Hayden, 19, was hunting in a paddock near Kellerberrin when one of the roos he was taking a bead on CHARGED at his car and BIFFED HIM. The 19-year-old was knocked out for 30 seconds and ended up in hossie looking like, well, THIS. Josh reckoned the dirty-fightin' roo got in a head-butt as well as a few good punches. Clean or dirty, one thing's for sure – seems they've had it with us pinching their BALLBAGS for purses.

POLE POSITION

YOU'RE never too old for the pole – that's the message from a nursing home in the UK, which has held pole-dancing demos for its creaky residents. The Fairmile Grange aged care home in Christchurch, Dorset, reckoned the oldsters asked for it. "They specifically chose a local pole dancing company to perform," said director of operations Izzy Nicholls. It was all in the best possible tastes, but, and no fruit 'n' veg were used.

LET'S GET MULLETTED

OZ'S favourite hairdo continues to scale unprecendented heights of popularity, with the first ever Mullet Fest at the Chelmsford Hotel, Kurri Kurri, NSW. Crowned King Mullet was Shane "Shag" Hanrahan, from nearby Denman. Shag, who hasn't had a trim since 1986, was so excited he sang *Dirty Deeds Done Dirt Cheap* with the house band, then had a nap.

GREAT GAZONGAS

10. EMILY SHAW

Emily's moneybags dad sent her to one of the UK's poshest chick schools to learn to be a lady. But she managed to shake that off to become a tits-out model.

9. ANABELLE RONA

If what we've heard about Russian women is true, if you pulled Anabelle apart there'd be another little Russian chick inside her. But it's probably bullshit.

T GAS!

Ten of the finest racks on the planet

8. SVANHILD

Svanhild's F-cups are the pride of her home town of Tambov, Russia. There'll be a bust of her in the town hall one day. They just don't have enough bronze yet.

BIG tits are not just for Christmas – they're the gift that keeps on giving booby goodness all year round.

In the depths of winter they're a warm pillow for your head.

In summer they give you welcome shade from the scorching sun.

And of course, the rest of the year they can be employed for all the SAUSSO SANDWICHES and MOTORBOATS your heart desires.

In fact, there's NO TIME when a pair of freakishly large tits don't come in VERY HANDY INDEED.

7.

LUCY PINDER

Lucy is such a big-tit legend, her passport photo doesn't show her face, just her GG-cup rib monkeys . 'Cos they're welcome anywhere in the world.

6.

LUCY LI

With many fine pornos to her name, Lucy – aka Scarlett Lee – no longer has to rely on winning Megan Gale look-alike contests to make a buck.

5.

SHION UTSUNOMIYA

She's 105cm around the tits, but only 160cm tall, so according to the laws of physics, Jap porn star Shion shouldn't exist. Luckily , she's above the law.

4.

JOEY FISHER

If the Welsh can be called the rednecks of the UK, that makes Cardiff-born Joey the Elly May Clampett of Britain. We sure wish she was our cousin!

2. PAVLA A

Czech chick Pavla's skin care regime involves, plenty of slip, slop, slap. Slip out of your clothes, slap on a big hat and get sloppy over a few cocktails.

3. VIOLA BAILEY

Our favourite Latvian, Viola is the best thing out of Riga since the 451 bus. She put her E-cups to good use in a stack of pornos, but never once forgot to feed the cat.

1.

TESSA FOWLER

Southern belle Tessa was discovered in a Hooters in Carolina, and had her H-cup humdingers out in *Playboy* by the time she was 20. She's a fast learner!

SMOKE SCREEN!

Mad Turk locks up head to give up smokes

TURKISH bloke Ibrahim Yücel is such a slave to the 'baccy, he has taken to locking his HEAD IN A CAGE to keep himself off the darts.

Yeah, it's pretty drastic, but Ibby has been lunging back two packs a day since the age of 16, and it's not like this is his first go at giving up the gaspers.

In his quest to free himself from his addiction, the 42-year-old from Kütahya has tried sucking his thumb, hypnotism, will-power, lozenges, Maltesers, violent rages and watching goats fuck, and he's had more PATCHES on him that a Scotsman's FRANGER.

But this time he wanted to make it stick, so he made a cage from 40 metres of copper wire and locks his noggin in it every morning before going to work, leaving the key with his missus.

During the day he can drink water and eat REALLY THIN FOOD, but he can't get a beaut ciggy near his trembling lips.

Then when he comes home at night, the little woman unlocks his scone, and gives him his dinner and a big pash for being such a brave boy.

Go on, Ibby. You can do it, son. ■ Picture

TAKE THAT, skippy!

Salty gives hoppy prick a big serve

JUST in case tourist numbers were dropping off due to a lack of recent GORY ATTACKS by giant salties, here's some heartening pics of one of the NT's biggest and best BREAKING A WALLABY IN HALF.

Smaug the salty is a resident at the Big Gecko crocodile research and filming facility near Darwin. He normally eats chickens, but every now and then they give him a wallaby to keep his mighty jaws from rusting up. Then Smaugy boy takes great pleasure in SMACKING IT AROUND to bust it into tasty bite-size pieces.

And when you get smacked by a five metre salty, you stay smacked.

So don't worry, foreign pals, just because they haven't eaten a busload of Germans in the last week doesn't mean our deadly critters have gone SOFT.

You still have just as much chance of getting KILLED as ever as soon as you step off the plane.

EVER wondered what porn stars look like when they're down the shops buying cat food?

We did, so we bunged together these pics of some of our fave on-screen rooters getting about their daaily business.

As you can see, their aversion to clothes continues long after they've left the film set.

Whether they're jogging, shopping, or enjoying a cuppa, they still look like pornstars to us.

YOU'RE JOKING

100% POLITICALLY INCORRECT!

A BLOKE was flying about in a hot air balloon and suddenly realised he was lost. He reduced altitude and, spotting a man below, said, "Mate, can you tell me where I am?"

The man looked up and said, "Yeah. You're in a hot air balloon, hovering 20 metres above this field."

"You must work in I.T.," shouted the balloonist.

"As a matter of fact I do," replied the man down below. "How did you know?"

"Well, so far everything you've told me is technically correct, but it's of absolutely no use to anyone."

"So, you must work in management," suggested the man on the ground.

"Yes, I do actually," replied the balloonist. "But how did you know?"

"Well", said the man. "You don't know where you are or where you're going, but you expect me to be able to help. You're in the same position you were before we met, but now it's my fault."

MY MISSUS reckons a small penis shouldn't affect our sex life. She might be right, but I'd prefer she didn't have one at all.

R.J., SUBIACO, WA

A MAN and a woman are about to have sex for the first time and begin taking off their clothes. The man takes off his shoes and socks, revealing feet with missing and deformed toes.

"What happened to your feet?" the woman asks.

"I had a childhood disease called tolio," the man says.

"Don't you mean polio?" questions the lady.

"No, tolio, it only affects the toes. Really, I don't want to talk about it."

Trying to recapture the romantic mood, the woman kneels in front of the guy and slowly pulls down his pants, revealing the man's severely pock-marked knees.

"What happened to your knees?" she asks curiously.

"Well, I also had kneesles as a kid," the man replies.

"Don't you mean measles?"

"No, kneesles, it only affects the knees. But I don't want to talk about it."

Again, not wanting to ruin the mood, she continues, but as she pulls down his boxers she starts to laugh out loud.

Before the man can ask what's wrong, the woman wipes a tear from her eye and says, "Let me guess – smallcox?"

JOKE OF THE WEEK WINS $100

THREE women die together in a car accident and go to Heaven. When they get there, St. Peter says, "We only have one rule up here: Don't step on the ducks!"

So they enter Heaven, and sure enough, there are ducks all over the place. It's almost impossible not to step on a duck, and although they try their best to avoid them, eventually one of the women steps on one.

Immediately, St. Peter appears with the ugliest man she's ever seen. St. Peter chains her to the ugly guy and says, "Your punishment for stepping on a duck is to spend eternity chained to this uggo!"

The next day, the second woman accidentally steps on a duck and along comes St. Peter, and with him is another extremely ugly man.

He chains the second women to the second ugly guy and tells her the same thing he told the first woman.

Now, the third woman has seen all this and, not wanting to suffer the same fate as her friends, is very careful where she steps.

She manages to go months without stepping on any ducks, but one day St. Peter comes up to her with the most attractive man she's ever seen – handsome, tall and muscular.

St. Peter chains them together without saying a word. The woman asks the handsome bloke, "I wonder what I did to deserve being chained to you for all of eternity?"

The guy replies, "I don't know about you, but I stepped on a duck!"

The guy at the desk replies, "No, it's just the regular kind, you sick motherfucker."

Facebook is like a jail. You have a mugshot profile picture. You spend all your time writing on walls. And people you don't know try to poke you.

Whoever said technology will replace paper has obviously never tried to wipe their butt with an iPad.

Yesterday, Facebook founder Mark Zuckerberg had his own Facebook fan page hacked into. Zuckerberg immediately ordered the hacker to be tracked down, seized, and hired.

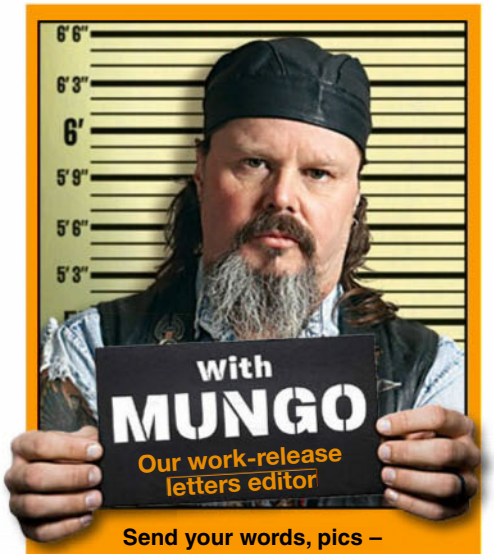
GO AHEAD, HAVE A MOAN!



Send your words, pics – WHATEVER – to Mungo at Readers' World c/o THE PICTURE, PO Box 4088, Sydney, NSW 2000, or email the big fella at mungo@bauer-media.com.au

MUNGO'S ON TWITTER

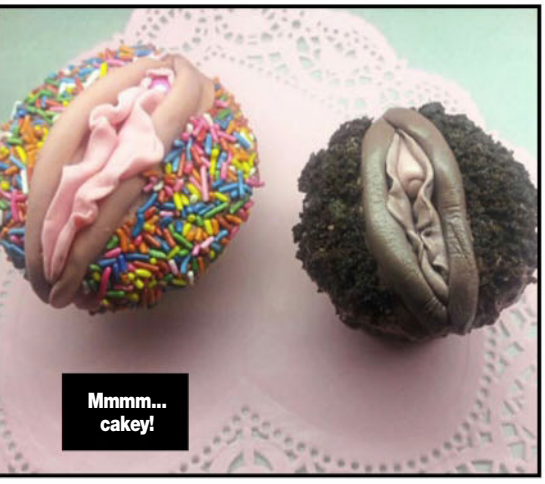
That's right, I'm tweeting me heart out for the people. None of that what-I-had-for-brekky or I-just-done-a-big-poo stuff, just my usual classy shit. It's at: https://twitter.com/ThePictureMungo

HOW SWEET IT IS!

HIYA Mungo, I'm sure every husband who gets a packed lunch from his wife would love to suck the icing off these cup cakes.

R.C., WA

MUNGO SAYS: Well, yeah. Absolutely. Go a treat for morning smoko. Although I do like a nice pineapple donut.



Mmmm... cakey!

WHY DON'T WE GET DRUNK AND SCREW?

I'VE got a way to improve Oz. Growing up in my teenage years, I liked to shout females drinks to get to know them better and get on their good side and maybe go home with them for the night. I think the government should cut the alcohol tax so we can shout and drink more booze and have a lot more fun.

R.V., WOORIM, QLD

MUNGO SAYS: There was a great song by a man named Jimmy Buffet called* Why Don't We Get Drunk And Screw*. This seems pretty much what you're proposing, just less musically. And I don't see anything wrong with that. Glasses up, pants down, get stuck in, you old goat.

Ted was much shorter than the rest of the band

THE GANG'S ALL HERE

MUNGO, I was talking with a bloke the other day and we were discussing two points regarding music:

1. When does a band become a "boy band"? Chisel were five blokes and they were a band. New Kids On The Block were five blokes and they were a boy band. So what's the defining factor? Is it when they lose the instruments?
2. I heard Ted Mulry Gang were on tour. Now it's hard to have a TMG without Ted Mulry as he died years ago. Same with AC/DC. The original members are becoming less and less. So when do these bands simply become cover bands?

Can you put it out there and get some guidance on this, 'cos it's got me fucked.

P.S., SMITH, METFORD, NSW

MUNGO SAYS: Chisel were ace. New Kids Sucking Cock were shit. There's ya difference right there. That wasn't so hard, was it? As for Ted Mulry, I'd like to think that ever since he jumped in Jesus' car and rode off to have a few Jamaica rums at that darktown strutter's ball in the sky, he's been smiling down on us and blessing the reformed TMG as they, with his brother Steve as lead vocalist, go about their holy business.

MUNGO WANTS TO KNOW...

Why do our pollies wear funny hats? It's not like you see Donald Trump getting around in a Stetson, or the chick from Germany in a spikey helmet. Give the hats a rest, guys.

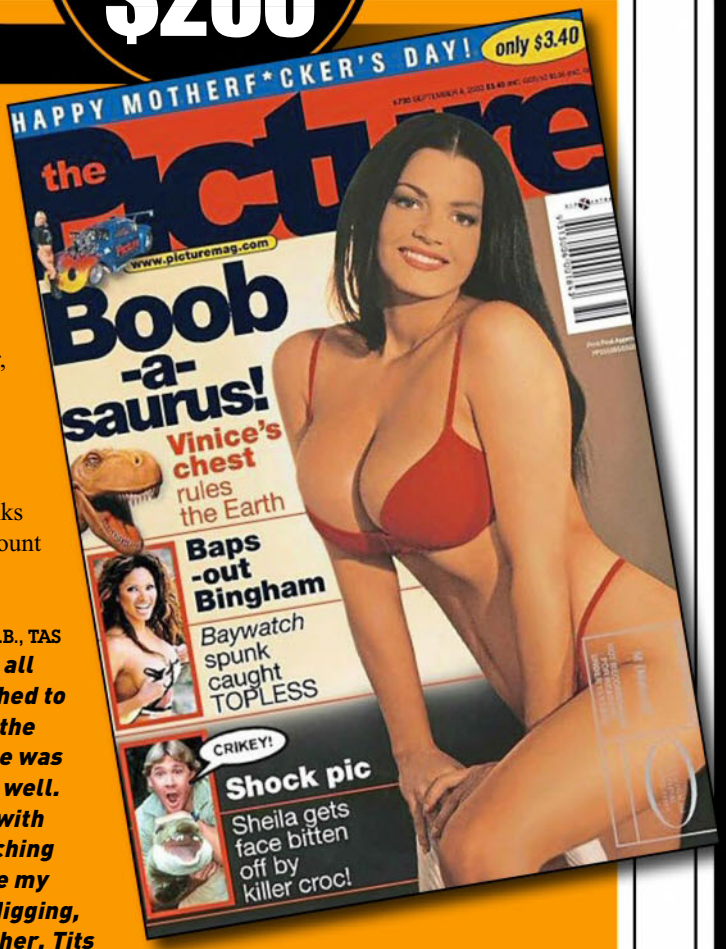
BLAST FROM THE PAST

DEAR Mungo, please pull some strings and get as many pictures of retro Home Girl and pin-up Vinice as you can find. She was a stacked brunette from 2002/3 and she was the love of my teenage life. Maybe even see if you could get a retro feature on her, I would be forever grateful, especially because some prick stole my mags with her in 'em over a decade ago. The depths some people will sink to. Thanks Mungo, I know I can always count on you. P. S. Go the mighty Valiants, they'll outlast us all.

C.B., TAS

MUNGO SAYS: We had to go all the way to the back of the shed to find her, but here she is on the cover of issue #730, and she was in #724, #739, and #702 as well. She was a Gold Coast babe with huge knockers and a bewitching smile that said: "Do you like my huge knockers?" I'll keep digging, see what more I can find of her. Tits like those shouldn't be forgotten.



GAME, SET AND MATCH

I'M SURPRISED you weren't all over the Oz tennis open this year, Mungo. Tennis hotties are like no other sports hottie, and when they boil them in 40 degree temperatures on the Rod Laver Arena, they get good and sweaty. And I love the grunting. It sounds like they're popping their corks every time they hit the ball. I dunno why people object – I reckon it's fucken sexy.

A.,J., HOXTON, NSW

MUNGO SAYS: Yeah? The grunting does it for you? I've been out with girls like that, and it gets so loud you can't concentrate. And that's just fucking – I reckon it'd be even harder if you were tryna play tennis against them. Anyway, as it happens we've collected a bunch of hot tennis playing chicks with sweaty panties for a feature for next issue. So get that up ya.

IF YOU ever come across these blokes, members of France's Special Forces 13th Parachute Dragoon Regiment, the last thing you will sense before you die will be a garlicky fart, because you'll never see or hear them. 100% uncensored sex advice from Australia's hottest stripper!

TEASE, PLEASE!

HEY Trin, I love sex so much! My boyfriend says I'm a nympho. He obviously never complains about how often we fuck, but says I should learn to tease him a little bit rather than just jumping on his dick. What are some ways to tease a guy without blowing him?

BLONDIE, CANNONVALE, QLD

TRINITY SAYS: ***Yes, girl! Go hard! There are loads of options; give him a lap dance, get him to watch you play with yourself, role-play, sexy games (monogamy is a great board game) and, of course – foreplay, foreplay, foreplay!***

A TASTY TEAT!

DO YOU like having your tits sucked, Trin? Is it better to suck them like a hungry baby or flick the nipple about with your tongue?

IMP, NORTH SYDNEY, NSW

TRINITY SAYS: ***Hmm, nipples – sometimes yes, sometimes no. You definitely need to be in the mood and that then changes how I like them played with – either rough and squeezed, or soft and tickled. I find a nice variation each time is usually the safest option for a guy to do. Just read her body language.***

TOON POON

HOW can I get rid of a fetish, trin? Since stumbling across that weird Japanese cartoon porn I've been absolutely obsessed by it and I hate it. I can't even watch *The Simpsons* without imagining myself doing Marge doggy style grabbing handfuls of her blue hair. Is there a way to train myself to stop liking cartoon porn?

"I LIKE MY NIPPLES PLAYED WITH!"

Z.M., TARALGA, NSW

TRINITY SAYS: ***Why would you want to stop? It's not a bad thing and it's not hurting anyone. The more you try to fight, the more you'll love it. Just relax, mate.***

ROOTING FOR YOU!

G'DAY Trin, I was down the strippers the other week gawking at all the babes in there and I wanna know – how can I fuck one?! I can't ask a girl while she's working and I don't wanna follow her outta the joint. So how the bloody hell do I approach that subject with a stripper? P.S. I reckon you'd be a sick root.

RIZZO, RAWSON, VIC

TRINITY SAYS: ***Ha! Everyone loves a stripper. Just be friendly and tip well – that's a good way to initially get her attention. Or book her for a private gig, either stripping or waitressing where you can get to know them and if they're keen on you, you'll know it. But don't just ask her for a root, it's an instant turnoff. We like genuine people.***

LOVE IS BLIND

HAVE you tried having sex while blindfolded? My wife and I tried it and I thought it was pretty lame but she loved it. Anything similar we could try that we both might like?

B.L., WOODLANDS, WA

TRINITY SAYS: ***Mate, just 'cos you didn't like something, it doesn't mean you shouldn't keep doing it. Sex is about making the other person feel good, not just you. Perhaps you like to be tied up – try that. Or maybe even spanked or bummed – give them a try!***

TRINITY WANTS TO HEAR FROM YOU!

Do you have a question only a SEXPERT like Trinity can answer? Do you want some advice on women in general? Or do you just want to ask about her XXX-rated sex life? YEAH? Then write to Talking Dirty With Trinity, c/o THE PICTURE, GPO Box 5201, Sydney, NSW 2000, or send an email to trinity@bauer-media.com.au. She's waiting!

GET UP YA SOOK!

KNIFE-WARMER!

WHO:
Brazilian bloke Elionardo Nascimento

WHERE:
Brasiléia, north Brazil

WHAT:
Knife in the back

OUCH FACTOR 78%
It'll get worse when he does his morning sit-ups

IT SOUNDS like Brasiléia is a lively little joint. It's one of those frontier towns where anything can happen.

And if you're a softly spoken 22-year-old local named Elionardo Nascimento, chances are it's gunna happen to YOU.

Elio was having a coupla coldies at a bar when his shit got fucked up by an assailant with a kitchenware fetish.

"I'd come out of the pub to talk to some friends and was standing around outside with a drink in my hand, when a guy ran up, stabbed me in the back and ran off," recalls the puzzled fella.

"I wasn't involved in a fight or an argument. I just felt a punch in my back. When a friend took a look and told me I'd a knife in my back, I couldn't believe it."

Elio's mates got him to hossie where docs discovered the knife had missed anything worth hitting – spinal cord, organs, etc – and could be eased out without doing too much damage.

There's a warrant out for Elio's attacker, and Elio himself will make a full recovery.

But still, there's no escaping it – GET UP, YA SOOK! ■ Picture

Brook unveils her titty treasure

HUGE NORGS AHEAD!

DDF Busty

“I LOVE HAVING SEX OUTDOORS”

WHY Brook Little wasn't picked in the Pommy Ashes team is beyond us. Jimmy Anderson and Chris Woakes have NOTHING on her DEADLY BOUNCERS.

We reckon she'd have trouble making it through airport security with those WEAPONS OF MASS DISTRACTION.

“I get a lot of compliments on my boobs,” says the 25-year-old blonde. “They're usually the first things that guys notice about me.”

What size are those SEX PILLOWS?

“They change a fair bit. At the moment they are an F or a G. I'm very proud of them – I love being a curvy girl.”

Are they the real deal?

“They are definitely real. Anybody who has seen my pics from when I was younger would know. When I was 18 they were an H size, but now they're a little smaller. They are a bit crazy, for sure.”

Is there something in the water over there in Pomgolia? 'Cos there sure are a ton of stacked stunnas over there.

THE PLEASURE CHEST

"I'M ALWAYS HAPPY TO SHOW OFF MY BOOBS"

"I don't know, but come to think of it, most of my girlfriends have pretty impressive racks. Some of them put mine to shame."

That's hard to believe. How do you feel about outdoor rooting?

"I love having sex outdoors! I've actually done it on the balcony outside my place a few times. That's technically outside, isn't it?"

Where else have you done it?

"I had sex at the Reading Festival once. I can't remember who was playing at the time. There's something really horny about the thrill of getting caught. And I'm always happy to show off my boobs."

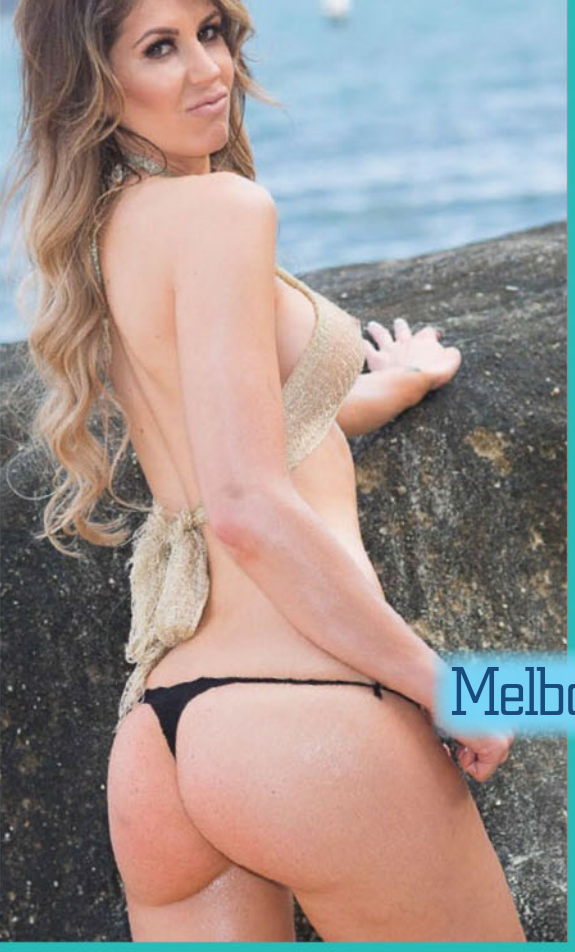
And we're always happy to watch. What sort of fellas do you go for?

"I like a tall man. I like a dark man and a long man. Haha! I like a man who can make me laugh and doesn't get on my nerves and lets me get on with my life. So guys, if you wanna send me your details and put your applications forward, please do."

What rooting advice do you have for blokes?

"I like lots of foreplay, so if guys aren't into that then they are doing it all wrong."

Take notes, fellas. ■ Picture



HOPE & DREAMS!

Melbourne escort Hope Morgan will keep you up

LIKE most Aussie blokes, our version of 'keeping fit' means stopping after the 14th beer when you're down the boozer, but FEROCIOUSLY FUCKABLE escort Hope Morgan reckons rooting is a far better cardio workout.

"Sex is great for fitness," she told us. "And so is going to the gym and living a healthy lifestyle."

You must be horny as fuck.

"I have a very high sex drive and in my line of work I'm definitely not deprived of sex."

What's the best thing about rooting for a crust?

"The freedom and flexibility to work your own hours. The best thing is not being part of the daily grind, I love what I do. My work is never boring and you meet a diverse range of people which I love."

Please continue.

"The best sex I ever had was with a client who was very dominant in the bedroom. He had studied how to be a dom. The sex was amazing and he even made me squirt which I never thought was possible."

What's the best way to get you off?

"Great oral sex. My favourite position is missionary, though. I just love being in control."

Throw in a pizza and that's the perfect night in. ■ Picture

MY TRAVEL FUCK

READER'S ROOTS FROM AROUND OZ

ONE FOR THE ROAD

NOTHING gets my girl hotter than a long drive in the country.

She starts to get wet as we pass the outer suburbs, and by the time she sees the first cow she's practically creaming herself.

It's something to do with getting back to nature, or maybe she just likes the smell of cow shit, but whenever we head for rural parts she heads for mine. I often get a blowie as we're hurtling down some country road just because she's seen a bloke on a tractor.

We often pull over and have a rest stop, but sometimes the timing doesn't work. This one time we'd been driving all day and every time we pulled into a rest area for a quickie the place would be overrun with families and we couldn't get it happening.

This went on all day, and apart from Suze giving me a quick nibble on the cock and me slipping her a sly finger when she was driving, we'd had no sexual activity all day.

It was especially hard for Suze, 'cos she'd seen some horsies, and I know how she gets when she sees horsies.

Just after dark we were gagging for it so we pulled into the last rest stop for about a hundred kays, thinking: "We gotta do it now!"

But that rest stop was jumping as well. Then I spotted a hill behind it away from everybody, so I grabbed Suze by the hand and dragged her up there.

We were getting stuck into each other when we were hit with high beam from one of the cars in the car park. The guy had leaned in to do something and hit his lights, and there we were, fucking like bunnies in the spotlight.

There was some laughter and applause from around the rest stop then the guy yelled: "Sorry!" and killed his lights.

Since we were there, Suze and I finished our root before we hit the road again.

MAKING NEW FRIENDS

YOU know how it is when you're travelling OS – you hook up with people, knowing that it's likely that after a few days of frantic fucking you'll never see them again. So you do some pretty crazy things on the basis of 'what happens OS, stays OS'.

So it was on that basis that I had my first ever threesome, with two guys from England, while I was backpacking around Europe.

I'd kicked my boyfriend to the kerb before I left Oz so I had no ties, and when I met these two hunks I figured it was time to live out a few fantasies.

I met them when we were all staying in a rundown guesthouse in Greece and their room was next to mine. The three of us started necking retsina on the communal balcony, then we moved the party inside to their room where they pulled out a bit of choof they'd brought over from Turkey.

It had the same effect on me it always does – my legs sprang apart and I leapt on the nearest cock, which happened to be Wayne's.

While I was wrestling it out of his beach pants to suck on, I was giving a foot job to his mate Freddie, who reached up to finger my steamy clam.

None of us were wearing much, so getting naked took no time and I settled down between the two of them, being spooned by Wayne while I sucked Freddie's cock, then switched it around.

They spit-roasted me and I stuck my arse high up in the air so they could take turns spoofing over my cheeks.

We settled into some great fucking and hardly left the hotel for the next three days, then they trundled off somewhere one morning early leaving me a nice note.

Then I hooked up with a French guy and his girlfriend where I licked my first smoo while he fucked me – but that's another story!

GO FRENCH

I WAS fanging around Europe pissing my redundancy money up the wall when I ended up in first class on a high-speed train through France. All the peasant carriages were all full and I thought: "Why not?"

I kicked back in my huge seat and starting drinking from the booze trolley until I got bored and headed into the bar car, where there was a bit of a party going on.

Lots of tanned, skinny Euro spunks were swigging back the champagne and getting a bit lezzo with each other, as they do, so I sashayed over and ordered a bottle and made it clear I was a lezzo too.

They spoke about three different languages each, but they switched into English to help me out and pretty soon I had them eating out of my hand with fascinating stories about my million hectare cattle station.

I invested some more redundo money in champagne, and I could see one of the Euro princesses starting to take a shine to me so I honed in on her.

Her name was Francois, and she was having a skiing holiday with her girlfriends before going back to uni, so it was her big fling as well.

Well, say no more. Next time the train rocked and threw us together I could feel her hand go straight for my cock and I immediately had one finger sliding up her camel toe.

I had her come back to my seat, where I dimmed the lights and put up the armrest so she could take off her panties and straddle me.

She chucked a blanket over us, but I reckon heaps of people would've known we were fucking and didn't care. The general noise and motion of the train would've covered for us anyway.

She got off the train at the first stop in the morning, but she did leave her panties as a souvenir.

"Getting nude in public makes me horny," says HORNDOG Liv. "I think it's the thrill of maybe getting busted!" ***Looks like our photographer busted you!*** "I always get nude at this beach anyway. Lots of people do." ***Are they all as beaut looking as you?*** "You get all sorts – hot backpackers, old men, Mums. That's why it's so great, no one cares what you look like." ***Ever get dirty in the dunes?*** "I have once. It was with an old partner and it isn't all it's cracked up to be! Sand got everywhere!" ***Any champion perverts catch a glimpse of you in action?*** "No one was about, that's why we did it. Although, I wouldn't mind being watched." ***Shouldn't be too hard to arrange!***

Like nature… and my spirit." ***Is this the free-spirit that brought you to Australia?*** "The fact I send my pics into *Picture* magazine talks for itself. Australia is pretty wild compared to other countries of the world. And people are wild too… and shameless." ***Have you been shameless with many local guys?*** "Absolutely. Yes." **WHAT WOULD YOU DO IF YOU WENT HOME WITH A GUY AND FOUND OUT HE HAD A BLOW-UP SEX DOLL?** "That's pretty sick, but there'd be a chance to play with it. Who knows?"

GO FACT YOURSELF!

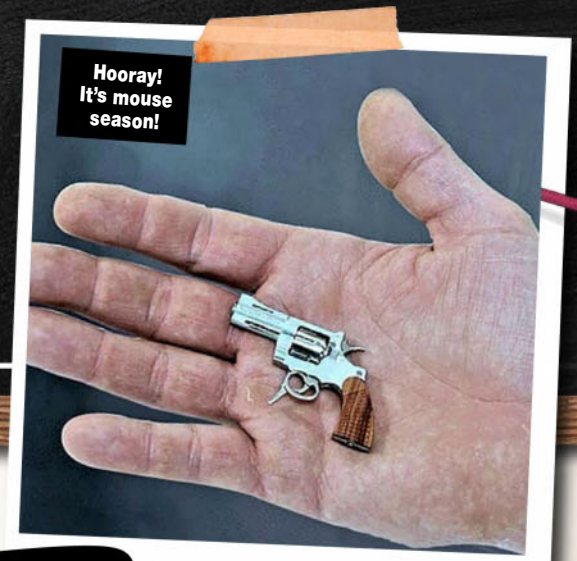
GUNS

01. In 1934, Seppo gangster John Dillinger escaped from prison after whittling a piece of wood into the shape of a gun and bluffing his way past 33 guards to freedom.

02. Russians are the only nation whose astronauts carry guns into space. They claim it's for defence against bears if they crash land on earth, but we all know it's in case an alien busts outta someone's GUTS.

03. The first weapon identified as a gun was a bamboo tube packed with gunpowder used to fire a spear in China circa AD 1000, simultaneously inventing shishkebab.

04. The McMillan TAC-50 sniper rifle was the gun used in the longest recorded sniper kill. A Canadian soldier killed a terrorist from 3,540 metres away with the bullet taking 10 seconds to reach its target.



05. The Swiss Mini Gun is the world's smallest working gun. The pea-shooter measures 5.5cm long, 3.5cm tall, weighs 19.8g and shoots 2.34mm ammunition. Akka-fucken-BLAMMO!

06. The head of every household in Kennesaw, Georgia, USA is required by law to own a gun.

07. Australia has roughly one million registered firearms, and an estimated 260,000 illegal guns knocking about in the shed.

08. The CIA created a gun that shot darts that caused heart attacks. The only evidence of being shot was a tiny red dot.

09. The Nazis are responsible for the biggest gun ever made – the Schwerer Gustav. The super shooter measured 79 metres long (including the barrel) and weighed 1350 tonnes. Only two were made and neither worked very well.
